## Service Proposal

Although the SAO scholarship is awarded on a first-come-first-served basis, recipients are expected to carry out a service activity that promotes international education and understanding at OSU or in their community.

There is no right or wrong proposal and applicants are encouraged to propose an activity that highlights their individual background, their experience abroad, and their unique talents and skills.

Proposals could include presentations to local elementary or high school students, participating in activities on campus such as Cowboy Cousins, volunteering to staff a study abroad information table, being an email buddy to an international student, or participating in international events.

Please attach your clear, thoughtfully expressed proposal of approximately 250 words. Be sure to include your name in the upper right hand corner.

## Conditions of the SAO Scholarship

I understand that:

- the scholarship cannot be disbursed to my Bursar's account until I have been accepted into my designated credit-bearing activity/program abroad. If I am not registered in my program through OSU, I must submit documentation of my acceptance.
- if I do not provide proof of acceptance by the starting date of my program, I will forfeit my scholarship.
- should I receive other scholarship funding that pays a significant portion of my costs for study abroad, the SAO scholarship offer may be withdrawn so as to benefit another student.
- the scholarship will be disbursed to my Bursar's account at the beginning of the term in which I am participating in the study abroad program,
- the total amount of the scholarship will be deducted from my account if I withdraw from the program before it begins.
- a portion or all of my SAO scholarship will be deducted from my Bursar's account if I withdraw from the program once I am abroad.
- I am expected to contribute to the internationalization of the OSU campus and/or the community upon my return.

*My dated signature confirms that I have read and accept the conditions of the SAO Scholarship.*
